2023 Sponsorship Packet

About READY Long Beach

Launched in 2014, READY Long Beach is a citywide outreach effort promoting emergency preparedness and readiness to the whole community. Sanctioned by the City of Long Beach and partnered with numerous city agencies, Ready Long Beach 2014 drew thousands of attendees from all social-economic, ethnic, age, and gender groups.

The READY Long Beach Expo is a prime marketplace for emergency preparedness merchandise and non-profit vendors alike. Held on annual basis, the READY Long Beach Expo provides a family friendly atmosphere in an outdoor setting; convenient for vendors of all sizes and accessible to a multitude of consumers.

The expo will include: food, music, emergency response vehicles, merchandise vendors, informational booths, demonstrations, and more.

Some of our partners in the past have included: American Red Cross • SCE • Long Beach Transit • Long Beach Airport • The Port of Long Beach • Long Beach Police Department • Long Beach Health and Human Services • Long Beach Water Department • Tesoro Foundation • CSU, Long Beach • Long Beach Disaster Preparedness

Proceeds from this event support the Long Beach CERT Program through:
Friends of the Long Beach Firefighters a 501(c) 3 Non-Profit organization EIN: 93-1223990

Join us in this historic event as we build a more aware and prepared community.

Please see the accompanying sponsor application. We look forward to working with you at the READY Long Beach Expo.

Best regards,

READY Long Beach Planning Committee

READY Long Beach 2023

Attn: Prospective Sponsor

Are you READY?

I am writing to request a donation from your company in support of our event, READY Long Beach 2023. The goal of READY Long Beach 2023 is to better prepare our local community and surrounding regions to be more resilient and self-sufficient during a large-scale disaster. This event is made possible through the support of vendors, various emergency responders, a kid's play zone and much, much, more.

Ready Long Beach, 2023 will be held at California State University, Long Beach (in front of Walter Pyramid) from 10:00am-4:00pm on September 9th, 2023. In 2019 we had well over 3,000 attendees and this year we are expecting around 5,000 community members.

By making a donation, your company will support increased community outreach efforts through education while enhancing readiness through the procurement of equipment and other initiatives that support this mission.

Thank you in advance from the READY Long Beach committee for your donation.

For additional information you can reach us at CERT@longbeach.gov or 562-570-2525.

Sincerely,

READY Long Beach Planning Committee
